§ 590.502 Effect of license.

(a) No license contained in this part, or otherwise issued by or under the direction of the Director of the Office of Foreign Assets Control pursuant to this part, authorizes or validates any transaction effected prior to the issuance of the license, unless the prior transaction is specifically authorized in such license.

(b) No regulation, ruling, instruction, or license authorizes any transaction prohibited by this part unless the regulation, ruling, instruction, or license is issued by the Office of Foreign Assets Control and specifically refers to this part. No regulation, ruling, instruction, or license referring to this part authorizes any transaction prohibited by any provision of this chapter unless the regulation, ruling, instruction, or license specifically refers to such provision.

(c) Any regulation, ruling, instruction, or license authorizing any transaction otherwise prohibited by this part has the effect of removing from the transaction a prohibition or prohibitions contained in this part, but only to the extent specifically stated by its terms. Unless the regulation, ruling, instruction, or license otherwise specifies, such an authorization does not create any right, duty, obligation, claim, or interest that would not otherwise exist under ordinary principles of law in or with respect to any property.

Such actions are binding upon all persons receiving actual or con-

Specific licenses may be issued in appropriate cases for transactions otherwise prohibited by §§ 590.203, 590.204, 590.205, 590.206, 590.207, or 590.208, including aircraft-related transactions and ground and waterborne transportation transactions, for medical and humanitarian purposes.

Any payment of funds or transfer of credit in which a person whose property is blocked pursuant to § 590.207(a) has any interest and that comes within the possession or control of a U.S. financial institution must be blocked in an account on the books of that financial institution. A transfer of funds or credit by a U.S. financial institution between blocked accounts in its branches or offices is authorized, provided that no transfer is made from an account within the United States to an account held outside the United States, and further provided that a transfer from a blocked account may only be made to another blocked account held in the same name.

NOTE TO § 590.505: Please refer to part 501, subpart C of this chapter for mandatory reporting requirements regarding financial transfers. See also § 590.210 concerning the obligation to hold blocked funds in interest-bearing accounts.
